OFFICE OF PETITIONS

In re Application of :
ZUEV, et al :
Application No. 10/603,216 :
Filed: June 26, 2003 :
Attorney Docket No. ABBYY-U09 :

ON PETITION

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed October 7, 2007, to revive the above-identified application.

The petition is **DISMISSED**.

The application became abandoned for failure to timely reply to the non-final Office action, mailed February 16, 2007, which set a shortened statutory period for reply of **three (3) months**. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the application became abandoned on May 17, 2007.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(d). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Director may require additional information. See MPEP 711.03(c)(II)(C) and (D). The instant petition lacks item(s) (1) and (3).

With respect to item (1): A review of the Office record shows that the reply to the Office action dated February 16, 2007, is improper. In this regard, petitioner should review the non-final Office action mailed February 16, 2007, and submit a reply accordingly. Any questions concerning the Office action should be directed to the Examiner at (571) 272-7445. Since the reply filed October 7, 2007 is improper, it does not meet the requirements as set forth in 37 CFR 1.137(b).

With respect to item (3): The petition contains a statement of unintentional delay signed by an assignee of the entire interest, however, the assignee has not been properly made of record under 37 CFR 3.71 which states:
